Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiner and Mr. Burns discussed the structure of the data flow and the security techniques of claim 1. Mr. Burns directed the Examiner's attention to a section of Ginter as suggested by the Examiner that he felt did not teach to the limitations of Claim 1. The Examiner discussed with Mr. Burns that a reference is not limited to the section that the Examiner suggests in his Office Action but instead, it's entirety. The Examiner pointed out different sections of Ginter that specifically taught to the limitations of Claim 1. No agreement was reached in reference to the claim or reference..
